CENTER STAND FOR TOURING 2009 - LATER

This stand features a heavy duty steel construction, chrome plated, easy to install & comes with all necessary mounting hardware and black mounting brackets. This stand lifts the bike upright & off the side stand, ideal for cleaning/servicing & reduces parking space. Attaches directly to frame and doesn't reduce lean angle. Designed to work with all OE suspension configurations and with profile suspension lowering kits. Adjustable feet can be set to lift rear tire off pavement.

87B120 Chrome center stand for '99-'08 Touring models.

87B121 Chrome center stand for Touring 2009 - Later
