GAS TANK SPECIFICATIONS

All tanks have a special carburetor vent used on H-D® motorcycles. All tanks, except flush cap models, use our standard gas cap, part No. 21-6, or a standard H-D® gas cap.

X = 1/4" Female opening.

O = 3/8" Female opening.

IMPORTANT GAS TANK INFORMATION

Carefully check your new gas tank for flaws. **DO NOT SAND OR GRIND SEAMS OR JOINTS.** Check petcock openings to make sure petcock can be installed easily. Clean inside of tank and always install a suitable gas tank sealer. **ALWAYS RUBBER MOUNT GAS TANK FRONT & REAR.** MIDWEST MOTORCYCLE SUPPLY DIST. CORP. is not liable for paint work or labor claims of any kind. If special paint jobs are put on tank, we recommend pressure testing prior to painting. We guarantee all tanks that we sell for a period of sixty days. Our guarantee is limited to the replacement of the tank only, and does not cover paint work or labor of any kind.
