20-60

## ULTIMA FAT BOB® STYLE GAS TANKS

These quality constructed tanks are designed to accept the standard or custom gas caps and use the standard late-model H-D® gas petcock. To give your late-model Harley® that authentic Fat Bob® look, these tanks are made to accept the stock dashes and also both FL & FX speedo equipment. 3.5 Gallon steel Fat Bob™ gas tanks replace OEM 61216-69; 5 gallon gas tanks replace OEM 61230-69. Fits stock H-D™ Fat Bob® frame & can be adapted to many other frames.

**20W59** 3.5 Gallon tank, standard cap.

SOLD AS PAIR

**20W60** 5 Gallon tank, standard cap.

**20W62** 3.5 Gallon tank, screw-in cap.

**20W63** 5 Gallon tank, screw-in cap.

## 6 GALLON LATE MODEL TANK

Fits '08-'17 FLHT/FLTR

SOLD EACH

## XL '07-'14 OEM STYLE EFI GAS TANK

3 Gallons, 1 Gas cap center opening.

**20W141** Tank with center gas cap opening.

SOLD EACH

## REGULAR TUNNEL SPORTSTER® STYLE GAS TANK

Pressure tested under water. Utilizes stock H-D® gas cap & petcock. Tank has Tillotson tube vent if needed.

3.1 Gallon tank. Tunnel 31-1/2" high x 2" wide. Tank 17" long x 10-3/4" wide.

**20W66** 1982 thru 1993.

SOLD EACH

## RUBBER MOUNTED "BIG CAPACITY" GAS TANKS FOR SPORTSTER®

Classic style with increased gas volume make these tanks a winner! 3.4 Gallon capacity. Rubber tank mounts help prevent vibration stress. Tank has rolled edges and includes bolt-in aircraft quality gas cap, as well as mounting hardware. More miles between gas stops with good looks too! (Paint not included.)

**20W99** For 1994 & later Sportster®.

## GAS TANK MOUNTING KITS

5-239

Chrome plated custom acorn nuts, washers and stud. SOLD AS KIT

**5W237** Kit to mount gas tank on Softail® 2000 & later.

**5W238** Kit to mount gas tank on Softail® 1984 thru 1999.

Chrome plated custom acorn nuts, washers, studs, spacers and grommets.

**5W239** Kit to mount gas tank on Sportster® 1996 & later.

## ONE-PIECE MOUNT FOR FAT BOB® STYLE GAS TANK

This one-piece bracket for mounting our Fat Bob® tanks or OEM tanks will work on either custom frames or OEM frames where the brackets have been torched off. Once you have the tanks positioned right where you want them, this bracket can be welded on for even stronger support.

**5W135** One-piece Fat Bob® style tank mounting bracket kit.

SOLD AS KIT

## LATE STYLE GAS CAP
